

## Beauty from every angle

A minimalist speaker that maximises your music experience: Beosound Balance is an award-winner for a reason. The simplicity of its design, rooted in Scandinavian minimalism, contrasts strongly with its raw, high-performing sound. It plays out your favourite music in every direction, in any room.

Built-in proximity sensors welcome you by lighting up the controls when you're close by, otherwise leaving only the sleek aluminium surface visible.

### IMPORTANT FEATURES

-  Minimal design
-  Adaptive sound
-  Natural materials
-  Part of Connected Speakers

BASIC

**Product dimensions**

D x H: 20 x 38 cm

**Weight**

7.2 kg

**Placement**

- Shelves
- Side tables
- Other furniture pieces

**Recommended Room Size**

10 - 80 m<sup>2</sup>

TECHNICAL

**Power Amplifiers**

Non-clipped peak (W)  
2 x Class D at 200 W for woofer
